Vice President for Information Technology

As we are about to begin a new fiscal year, we would like to inform you of some changes affecting the Office of Information Technology (OIT) internal vendor sites. As you know, during this past fiscal year Rutgers University Computing Services (RUCS) was restructured into Office of Information Technology. OIT internal vendor sites within RIAS will now reflect this change. Please refer to the chart on the following page for specific name changes, as well as a description of the services associated with each OIT internal vendor.

Thank you for your attention to these details. The Office of Information Technology looks forward to working with you to provide support of your information technology needs.
